

A GREATER SENSE OF SECURITY

# Do you know who's in when you're out?

During a recession, burglaries increase. Make sure you, your loved ones and your possessions are safe and sound with a wireless alarm system, fitted and fully guaranteed for only £595.

# A wireless security solution, fully installed for just £595

The new wireless alarm system from CTS is reliable and flexible, designed around today's busy lifestyle.

- Simple and intuitive fob or keypad operation
- Discreet wireless detectors
- A host of optional accessories:\*

  - wireless smoke detectors
  - wireless water leak detector
  - wireless carbon monoxide detectors
  - wireless shock sensor
  - pet friendly wireless detectors
  - wireless LCD keypad
  - GSM communicator

\* These items are optional extras that can be specified at the time of ordering, but are not included in the offer price. For full offer details and a complete list of accessories, please visit [www.cts-security.co.uk](http://www.cts-security.co.uk)

# Ideal for home and small business premises

A GREATER SENSE OF SECURITY

It's a sad fact that when the economy suffers, unemployment rises and so does crime - especially burglary.

So to help keep your possessions and your family safe in these tricky times, we've developed an affordable security package that's reliable, easy to use and professionally installed. That makes it ideal for homes, offices and even caravans.

## Optional monitoring via SMS text message

(subject to easily accessible telephone line)

The offer package includes:

- Control panel with on-board LCD keypad
- 2 x Wireless detectors
- 1 x Wireless door contact
- 1 x Wireless siren
- 1 x Decoy siren
- 2 x Keyfobs for setting/unsetting

Get 1 year FREE maintenance worth £70 when you refer CTS to someone else in your area!<sup>†</sup>

Every installation is fully guaranteed and we're there 24/7/365 if you ever need to call us out.

**CTS is arguably Norfolk's leading security system specialist:**

- NSI NACOSS Gold Certification
- Over 30 years experience
- All staff are security vetted
- 24/7/365 callout response
- Independent, personal service

## To order now: call us on 01553 765429

**All major debit & credit cards accepted** (credit cards incur a small surcharge of 2.5%)

<sup>†</sup> To qualify for 1 year's free maintenance, the customer referred must have their system fitted on the same day as the referrer and live within the same locality. Only the referrer will qualify for this offer. For full offer details please visit [www.cts-security.co.uk](http://www.cts-security.co.uk)
